## THE 11th REPORT OF THE MADOC MEMORIAL HOSPITAL.

OWING to the alterations, and re-building of the Madoc Hospital, a smaller number of cases were treated during the past year.

The Hospital was moved to Morfa Lodge on March the 8th, 1929 ; a temporary Theatre was fitted up, and 11 operations were performed ; but all Medical Practitioners were notified of the move to temporary quarters and the want of facilities to deal with various cases.

No midwifery cases were undertaken.

The Hospital was moved back from Morfa Lodge to the new premises on November the 12th, and the Building was formally opened on December the 4th, by J. E. Greaves, Esq., H.M. Lieutenant for Caernarvonshire.

A full report of the building and alterations, by Mr. O. J. Roberts, Hon. Sec. to the Building Committee will be found above the List of Donors.

## VISITORS :

Birmingham, 1 ; Cardiff, 1.

STAFF.—For nearly three months, from March, Sister Walker was absent from duty owing to serious illness. It is a great joy to all connected with the Hospital that her recovery has been complete, and that in July she was able to return and carry on her work as Matron with the same zeal and efficiency as in the past. Nurse Jones Williams, who succeeded Nurse Ceridwen Edwards as Staff Nurse, had to leave owing to the illness of her mother, to the great regret of the Matron and Committee, who valued her services very highly during the few months she worked at the Madoc Hospital. The Committee were fortunate in quickly procuring Nurse Ashton to take her place. Both Probationers left during the year for other spheres of work—Nurse Florence Edwards after over three years' service, and Nurse Eluned Pritchard after 18 months.

ANNUAL MEETING.—By kind permission of the Girls' Club, this was held in the Recreation Room of the Club on April the 29th, at 6.30 p.m., the Rev. W. T. Ellis, B.A., B.D., presiding.

The Officers were re-elected, with the addition of Mrs. William George and Mr. William Morris, Britannia Terrace, as Vice-Presidents.

The resignation of Miss Drage from the Committee, on the occasion of her marriage, was received with regret, and a message of good wishes for every happiness in her future life was sent her.

Mr. Owain Hughes and Mr. Webster find it impossible to attend the Meetings, and resigned.

Mr. C. H. Williams was elected on the Executive Committee.

The representative for Criccieth in place of Miss Drage was left to the Executive Committee.

THANKS.—A very long list of Gifts, for which grateful thanks are offered, appears in this year's Report—so many friends sending Gifts towards furnishing and equipping the new building.

Specially valued financial help has been received through the Opening of Wern Gardens by Mr. R. M. Greaves, the amount realized reaching £80.

A Dance organized by Mr. Roberts, at the Royal Goat Hotel, Beddgelert, brought in £25 5s 0c ; a Concert in the Town Hall, Portmadoc, one Sunday Evening, arranged by Mr. Robert Roberts, made £20 6s 0d ; Mrs. Gresham has given £50 for a new Operating Table, badly needed ; and Mrs. Davidson has kindly promised a New Theatre Lamp.

The Gifts on Pound Day, and the Church Offertories on Thanksgiving Day, were much appreciated ; and the kindly help of Capt. James Jones in the matter of the Assessment of the new Building, was invaluable.

The Executive Committee were most grateful for the kind assistance of Mr. H. Emrys Jones, of the Midland Bank, during the enforced absence of the Hon. Secretary at Nevin. Mr. Jones has most kindly consented to act in future as Assistant Honorary Secretary.

CONSTANCE GREAVES, *President.*

J. BEATRICE BREESE, *Chairman Executive Com.*

W. G. WILLIAMS, *Hon. Treasurer.*

WALTER ROBERTS, *Hon. Secretary.*

#### POUND DAY.

This was well supported. Probably the opportunity to view the transformed Hospital was appreciated.

In addition to a generous supply of Groceries, &c., the sum of £3 1s 0d was received in Cash, and 17/- from Teas supplied.

The Matron and House Committee wish to record their warmest thanks for this encouraging support, regretting that the large numbers make the record of names prohibitive.

#### SALE OF SILVER PAPER.

All kind Collectors and Donors of above are most warmly thanked for their efforts.

Since the scheme was started in 1928, to June 30, 1930, 4 cwts. has been sold, but unfortunately there has been a continued fall in value, as well as a slackening in collection.

We ought, easily, to make £5 annually in this way. Please be not "weary in well doing."

(Signed) CONSTANCE GREAVES.

DONORS OF HEADPHONES.—Mr. Noel Pike, Mr. John Williams, Red Garage ; Celtic Glen, Colwyn Bay.

Since the last report, the Hospital has been equipped with a Brandes All Electric Wireless Set, which has been wired to each bed under the Remote Control System. It is, as may be imagined, proving itself to be a great boon to both patients and Staff. It pleasantly whiles away many a weary hour for the patients, and as a consequence it lightens the work for the Staff.

Headphones are still required. Will kind friends who have a pair to spare send them along to the Hospital? or to Mr. H. Emrys Jones, Midland Bank, Portmadoc.

### BUILDING COMMITTEE'S REPORT.

IN consequence of the need of further and more modern accommodation and facilities and the demands likely to arise through the increased number of artizan subscribers the Committee was compelled to seek ways and means of enlarging and modernizing the Hospital Premises.

The site for a new Hospital was offered by the late Dr. Richard Griffith and although he died before conveying the land to the Hospital Trustees his widow very generously carried out his wish and completed the conveyance notwithstanding the fact that the Trustees (owing to the cost) were unable to start the erection of a new building on such site.

This land is situate on that picturesque headland known as Cae'r Ogo overlooking the Traeth Mawr Estuary and the Trustees would doubtless be prepared to sell as a building site and the land should realize a good price as it has a road leading to it with water and electric power running near.

We are fortunate in having Mrs. R. M. Greaves our President, as a member of the Building Committee, as owing to her practical experience of Hospital work and equipment it has been possible to effect many economies, and in the main the present design and lay-out of the premises is her work. In this she was helped substantially by Mr. Clough Williams Ellis, M.C., J.P., who made valuable suggestions as to the possibilities of the old building and the present site.

The two houses formerly known as Ceylon Villas although adapted to the best possible extent and used as a Hospital since the opening in 1919 were obviously not suited for the work of a Modern Cottage Hospital. The Committee, therefore, called in an Architect to advise them, namely Mr. R. D. Jones, A.R.I.B.A., A.M.T.P.I., of Portmadoc and Pwllheli, to prepare plans which were approved in due course, and tenders were invited and that of Messrs. Jones and Evans, Builders, Pwllheli, of £5,307 was accepted on the 21st January 1929, the contract being signed on the 14th February 1929, completion to be made by 31st August 1929. The premises were vacated on the 8th March 1929, temporary accommodation being found through the kindness of Major and Mrs. Breese, at Morfa Lodge, where we lived rentfree until November 12th, 1929, and but for this extremely valuable assistance the Committee would have had to suspend operations and the district be Hospital-less for the 8 months the alterations to the Garth premises were afoot, and the Committee desire this record to be made of Major and Mrs. Breese's generosity.

The outward appearance of the property has been but little changed, the inside, however, has been entirely renovated and the general arrangements of the modernized premises are as follows :—

GROUND FLOOR.—The Emergency Ward and Administrative Offices, Matron's and Staffs Rooms, Kitchen, Laundry, lifts &c.

FIRST FLOOR...—Male and Female General Wards, Isolation Ward, two Private Wards, Bath, Sinkrooms, &c, Operating Theatre, Sterilizing Room, &c

SECOND FLOOR.—Two Maternity Wards, Matron's and Staffs Quarters, Baths and Sinkrooms.

The whole building is electrically lit and wired for electric heating and has also a Wireless Installation (the latter procured through the efforts of Messrs. Emrys Jones and Watkin Jones of the Midland Bank Ltd). The sanitation has had especial care and the Hot Water system works admirably, a full and efficient Water supply being maintained by the provision of extra tanks both inside and out of the building.

The supervision of the removal and refitting of the Hospital furniture and decorations was carried out by the ladies of the House Committee—who after all are the people who carry on the good work of the Hospital so unostentatiously year in year out.

It is a pleasant duty to have to report that all the work done by Messrs. Jones and Evans, the Contractors, has been satisfactory, the firm being courteous and obliging in their conduct of the contract.

The Architect has been highly complimented by all the Surgeons, Medical Practitioners and others who have examined his work of adaptation of the old premises amongst the last to speak eulogistically of his work being Sir H. Carey Evans, Baronet, who has a world wide knowledge of Hospitals and the Committee feel that the district has now a Hospital of which it may be proud.

The renovated premises and extensions were formally opened by J. E. Greaves, Esq., H.M. Lieutenant for Caernarvonshire, on the 4th December 1929, a full report of such opening may be found in both the *Cambrian News* and *North Wales Chronicle* of December 7th, 1929.

Further, the work was completed below the contract figure, this in itself is an achievement, and through the untiring efforts of the President especially, the Committee have secured sufficient funds to supplement the legacy left by the late Mr. Thomas Jones, Ironmonger, and donations by other well wishers to pay all the expenses of the work.

A Tablet commemorating Mr. Thomas Jones' munificence will, in due course, be erected in the Hospital Entrance Hall along with others to other benefactors.

To the generous and large hearted public of the district and especially to all the working men and women who by their weekly subscriptions contribute so substantially towards the maintenance of the Hospital, I would

extend a warm invitation to view the new premises so that they may satisfy themselves that the Committee have carried out their stewardship faithfully and well and that they have provided a worthy Memorial to those men and women from this district who made a supreme sacrifice in the Great War 1914 to 1918.

With the writing of this report my work as Hon. Secretary of the Building Committee comes to an end, and I beg to be allowed to offer my sincere thanks to the President, Trustees, Chairman, and all members of that Committee as well as to the Architect and Contractors for their patience and the many kindnesses shown me during the months of our united effort.

I have the honour to be, Ladies and Gentlemen,

Your obedient servant,

O. J. ROBERTS,

*Hon. Sec. Building Committee.*
